- Formation & promotion of self help groups for self sustainability.
- To celebrate National festivals such as Independence Day & Republic day.
- Acting as link between the government and the people so that the assistance reaches to those to whom it is intended.
- The aims & objectives are based on the brotherhood of mankind and the love of India will be to promote the spirit of secularism, patriotism, unity & integrity among various groups, castes and religions in the society.
- Functioning as resource centre/nodal agency for NGOs & CBOs those who are interested in undertaking development programs with popular participation and governance.

**Strategy:**

KISAN BHARATHI TRUST believes that development of the poor without refining their circumstance is neither conceivable nor sustainable and development can be done by self sustaining only. If it brings a change in the entire socio-economic matrix than governing their lives in order to reach the poor stage of social consciousness and empowerment as well hence org. has been considers the following four interventions.

- Human resource development
- Attitudinal changes
- Economic development
- Self management

**Benefit area and priorities:**

KISAN BHARATHI TRUST has been perusing its paradigm of development for the poor, marginalized and underdeveloped region of north Karnataka. KISAN BHARATHI TRUST has been successfully implementing diverse initiatives for the well being of needy in Raichur district which has already been mentioned elsewhere among its multifarious activities for children, youths and women's are viewed as key agents of change for socio economic development and are considered as very valuable human resource that could be nurtured and developed with multiple interventions apart from programs for education and skill development. KISAN BHARATHI TRUST has been promoted a chain of youths, women's & farmers centered activities and the second major concern of the org. is sustainable integrated rural & urban development programs such as CB for CBOs, networking, advocacy, linkages and initiate community infrastructure etc.
